*Nominating Chair*

August 2, 2022

The Greensboro Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated (DST) is extending an invitation to you to attend the 2022-23 Miss Jabberwock Pageant Interest Meeting on Sunday, August 21, at 2:00 p.m., at Hairston Middle School, 3911 Naco Rd. This meeting will allow you to receive information on becoming a participant in the pageant and meet members of the Jabberwock Committee. The pageant is scheduled to be held on Sunday, March 5, 2023, at 6:00 p.m. at the Carolina Theater. If COVID-19 guidelines from our state and local government or DST preclude the chapter from hosting this event in person, the virtual format will once again be implemented on the same day/time.

The Jabberwock is a cultural enrichment experience distinctive to DST. It enables young ladies to enhance their knowledge of what to expect as college freshmen, develop new relationships, gain new experiences, and participate in a scholarship opportunity.

Young ladies interested in becoming Jabberwockettes must be high school seniors in good academic standing who have a desire to participate in community service activities and plan to pursue a college education after graduation.

One exciting element of the Jabberwock experience is the Jabberwock talent presentation, which is scheduled to be held on Saturday, December 10, 2022, at 5:00 p.m. While it is not mandatory for Jabberwockettes to perform in the talent presentation, all are encouraged to do so as it has always been one of the most memorable highlights of the Jabberwock experience.

Please feel free to share this letter with friends who may be interested in participating in the 2023 Miss Jabberwock Pageant. This is sure to be the event of a lifetime!

Contact Jabberwock Co-Chairs Robin Daye (336-669-8621) or Teresa Lipscomb-Burney (336-337-4005), or you may email [jabberwock@dstgac.org](mailto:jabberwock@dstgac.org) for additional information.

We look forward to seeing you on August 21!

*Desirée Best*

Sincerely,

Desirée F. Best

GAC President
