Soror Mary Susan Stuart

Mary Susan Stuart served as videographer for the Alberta W. Cuthbertson Visual and Performing & Arts Program. Miss Stuart is the daughter of Alberta Cuthbertson and a lifetime supporter of the Arts and Letters Committee.

She provided an invaluable service in documenting each annual presentation. Her tireless efforts helped ensure the historical record of showcasing the talented minority students in the Guilford County Schools. In 2020, due to health reasons, Mary Stuart was unable to continue to support our annual presentations.

*We thank her for many years of dedicated service.*
